

CHOATE

ENGINEERING PERFORMANCE

MISSION STATEMENT

Remanufacturing diesel engines that meet or exceed OEM specifications.

INDUSTRIES SERVED

- Industrial
- Marine
- Agricultural
- Earth Moving
- Automotive
- Stationary Power
- Transportation

CERTIFICATIONS

HUBZone Certification
Pending

☎ (901) 553-9847

📍 1033 Lake Street
Bolivar, TN 38008

CORE COMPETENCIES

- Engine Parts Design & Development
- 3-D Scanning
- CNC Machining
- Fuel System
- Fabrication & Engine Build
- Rebuild & Remanufacture

Diesel Engines
Remanufacturing
Engine Rebuilding
Engine Overhaul
Engine Machining

Cylinder Heads
Turbochargers
Fuel Injection Systems
Engine Components
CAD/CAM Design

OEM Standards
Industrial Applications
Engine Testing
Advanced CNC Machining

DIFFERENTIATORS

- 4 and 5 Axis Capabilities
- Flow Bench & Testing Equipment
- In-house Quality Assurance
- Engine Dynamometer Testing

NAICS CODES

- 332710 Machine Shops
- 333517 Machine Tool Manufacturing
- 333618 Other Engine Equipment Manufacturing
- 333924 Industrial Trucks & Tractors Manufacturing
- 811111 General Automotive Repair
- 811310 Commercial & Industrial Machinery & Equipment
- 336310 Motor Vehicle Gasoline Engine and Engine Parts Manufacturing
- 336611 Ship Building & Repairing
